

**Shasta College**  
**Associate Science Degree Programs**  
**to**  
**Southern Oregon University**  
**Bachelor of Applied Science in Management**  
  
**Effective Fall Term 2010**

It is agreed that students transferring from Shasta College (SHASTA) in an Associate of Science program to Southern Oregon University's (SOU) Bachelor of Applied Science in Management program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both SHASTA and SOU, and will remain in effect until it is updated or terminated by SHASTA or SOU. This agreement is dated May 28, 2010.

Baccalaureate students must complete a minimum of 60 quarter credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at SOU must complete 45 quarter credits from SOU before a degree will be awarded. To become admitted to the BAS program, students must hold an AS degree outside the area of business with a GPA of 2.5 or better.

Transfer students may guarantee their catalog of graduation by obtaining written approval from their SOU major department. The agreed upon catalog will be the one a student uses when he/she transfers to SOU. Students must enroll at SOU within three years of this approval.

# **Associate of Science (AS) Shasta College (SHASTA) Articulated with the Bachelor of Applied Science (BAS) in Management at Southern Oregon University**

Effective Fall Term 2010

## **About the Program**

This program has been developed with the cooperation and support of Southern Oregon University (SOU). The program is fully articulated with SOU's Bachelor of Applied Science in Management program and allows students to transfer and become admitted into the School of Business at Southern Oregon University to pursue a bachelor's degree. The program offers an excellent balance of career technical coursework, business coursework, and general education courses that support advanced study in Management.

Students should contact a counselor at SHASTA or the SOU School of Business early in the first year of their AS program to be advised about additional requirements and procedures for admission to the school or program. Students should be aware of the admission requirements at SOU, including the minimum GPA requirement of 2.50 in their AS program.

Students should be aware that if they transfer before completing their AS degree, they will not be eligible for the BAS program and their courses will be evaluated individually toward the general education requirements and School of Business requirements in effect at SOU.

## **Entry Requirements**

Students who have not satisfied the Math and English general education requirements must take the college placement test to determine skill level and readiness indicated by test scores. As part of their training program, students must begin with the courses within their skill levels as determined by placement test scores. In addition, students may be required to enroll in classes that would increase their employability and success.

## **Advanced Standing**

Coursework from accredited colleges and universities will be accepted in accordance with college policies and the approval of the Dean of the School of Business. To ensure coursework is current, program course credits over 10 years old may be reviewed and approved by the appropriate department head before being accepted toward course requirements.

## **Graduation Requirements**

Students must complete a minimum of 180 quarter credits (120 semester credits) to earn a bachelor's degree at SOU. Students must earn C- or better in Written & Oral Communication General Education courses. For additional degree requirements, visit the SOU School of Business website listed below, and consult with an academic advisor.

Students who have graduated from high school or completed a high school equivalency program in 1997 or after must have the following requirement for admission to a four-year Oregon state college or university: 1) Two years of the same high school-level language, or 2) two terms of college-level language with a grade of "C-" or better (may be first-year language which can be used as elective credits).

| <b>Additional Upper Division Credits<sup>5</sup></b>   | <b>61</b>        |

**CREDIT SUMMARY: (expressed in quarter credits)**

|  |       |
|--|-------|
| General Education Credits .....                        | 32-42 |
| Lower Division Business Prerequisites .....            | 22    |
| Upper Division Business Coursework.....                | 61    |
| Career Technical Credits Accepted from AS Degree ..... | 52-62 |
| Total Credits for the BAS degree.....                  | 180   |

1. *SOU accepts a maximum of 124 quarter credits from a community college.* The number of career technical credits applicable to this program will depend upon the number of credits a student transfers to satisfy the general education requirements. SOU's Bachelor of Applied Science in Management degree requires 180 total quarter credits. Students completing both the AS and BAS degrees may accumulate more than 180 quarter credits.
2. The SOUGE pattern requires three social science classes from an approved list. Econ1A and Econ1B are required for the BAS program. Students may find the list of approved courses on the General Education Transfer Guide at [www.sou.edu/admissions/transfer](http://www.sou.edu/admissions/transfer) and select "General Education Transfer Guides."
3. The SOUGE pattern requires three humanities classes from an approved list of courses. Students may find the list of approved courses on the General Education Transfer Guide at [www.sou.edu/admissions/transfer](http://www.sou.edu/admissions/transfer) and select "General Education Transfer Guides."
4. The SOUGE pattern requires three sciences classes from an approved list. Two of those courses must have a lab. Students may find the list of approved courses on the General Education Transfer Guide at [www.sou.edu/admissions/transfer](http://www.sou.edu/admissions/transfer)
