Associate of Science - Umpqua Community College

Articulated with the Business Program at
Southern Oregon University

Origination: 2010-11 Academic Year (Remains in Effect Until Revised or Terminated)

About the Program

The Associate of Science degree (Business) has been developed with the cooperation and support of Southern Oregon University (SOU). The degree is fully articulated with SOU's Business program and allows students to transfer directly as juniors and to become admitted into the Business program at Southern Oregon University with no loss of credits to pursue a bachelor's degree. The program offers an excellent balance of business and general education courses that support advanced study in the field of business.

Students should contact the SOU School of Business early in the first year of their AS program to be advised about additional requirements and procedures for admission to the school or program. Students transferring to SOU will be required to complete BA100 Orientation to the School of Business and BA282 Business Statistics on campus at SOU during their first quarter.

Students should be aware that if they transfer before completing this degree, their coregincrease their employability and success

Advanced Standing

Coursework from accredited colleges and universities will be accepted in accordance with college policies and the Business Technology Department head's approval. In order to ensure coursework is current, program courses over 10 years old must be reviewed and approved by the appropriate department head before being accepted toward course requirements.

Graduation Requirements

Students must complete a minimum of 90 term credits of lower division collegiate courses with a minimum grade of "C" or better.

Students who have graduated from high school or completed a high school equivalency program in 1997 or after must have the following requirement for admission to a four-year Oregon state college or university: 1) Two years of the same high school-level language, or 2) two terms of college-level language with a grade of "C" or better (may be first-year language which can be used as elective credits).
