Entry Requirements

Students who have not satisfied the Math and English general education requirements must take the college placement test to determine skill level and readiness indicated by test scores. As part of their training program, students must begin with the courses within their skill levels as determined by placement test scores. In addition, students may be required to enroll in classes that would increase their employability and success.

Advanced Standing

Coursework from accredited colleges and universities will be accepted in accordance with college policies and the approval of the Chair of the ECD Department. To ensure coursework is current, program course credits over 10 years old may be reviewed and approved by the appropriate department head before being accepted toward course requirements.

Graduation Requirements

Students must complete a minimum of 180 quarter credits (equivalent to 120 semester credits) to earn a bachelor's degree at SOU. California students may satisfy SOU General Education requirements by completing any one of these three GE options: SOUGE, CSUGE, or IGETC. These options are described on the next page of this agreement. Completion of CSUGE or IGETC must be certified by CR Counselor. Students must earn C- or better in Written & Oral Communication GE courses. For additional degree requirements, visit the SOU ECD website listed below, and consult your academic advisor.

Students who have graduated from high school or completed a high school equivalency program in 1997 or after must
